6 Elevations Available

If you’re looking for something grand in your next home, look no further than the Carrara. At 5 bedrooms, 4.5 bathrooms, and 5,095 SqFt, this is one of the most grand and awe-inspiring homes you can build. The back of the home aligns the kitchen, dining room, great room, and club room to combine for over 60 feet of uninterrupted openness and views. It’s an absolutely stunning design feature, not to mention the meandering kitchen countertops, which seem to go on forever. This home is built to entertain. And the grandeur continues upstairs with a jaw-dropping master suite, complete with everything you could want to elevate your home’s allure. And let’s not forget the flex room, which is the perfect space to do just about anything, depending on your living needs.
