PLAN

Milan

The Milan is one of the largest floorplans in our portfolio, designed exclusively for the expansive lots at Harris Ridge. With 5 bedrooms, 5.5 bathrooms, and 4,847 square feet, this two-story masterpiece offers luxury at every turn. Upon entry, you're welcomed by an expansive, open layout that flows seamlessly from front to back. The west wing hosts the dining and great rooms, framed by expansive windows, a linear fireplace, and several glass multi-slide doors that lead to a large covered patio. The gourmet kitchen, perfect for family gatherings and entertaining, offers abundant storage in the butler's and walk-in pantry. The primary suite on the main level receives ample natural light from its wall-to-wall windows and includes a resort-inspired bath with a fireplace, dual walk-in closets, a freestanding tub, and a gorgeous tiled shower. Up the grand staircase, you'll find a spacious bonus room, a covered balcony, and a dedicated fitness center. The split, 4-car garage has entry points on each side of the home, highlighting The Milan's seamless blend of functionality and sophisticated design.
