Recognized among the nation's top five homes in its category at the 2026 Gold Nugget Awards.

The Sicily is a single-level floorplan exclusive to the Harris Ridge community, offering 3,973 square feet of refined living space. With 4 bedrooms, 4.5 bathrooms, and a split 3-car garage, the Sicily is designed to balance luxury and functionality. A key highlight is the multi-gen living suite, complete with a private entry, 1-car garage, galley kitchen, and dedicated bath. At the heart of the home, the great room boasts soaring 16-foot ceilings and expansive windows, creating a bright and welcoming atmosphere. The open-concept design flows seamlessly from the great room into the gourmet kitchen, where windows let in the natural light and spacious countertops, island, and walk-in pantry are an entertainer's dream. Two covered patios sit adjacent to the dining and kitchen areas, fitted with sleek multi-slide glass doors for easy access. The primary suite is a luxurious retreat, featuring a resort-style bathroom, dual walk-in closets, and expansive windows that flood the space with natural light. The Sicily also includes a versatile media/flex room and a unique internal courtyard, offering a private outdoor space that enhances the connection between indoor and outdoor living. With its thoughtfully designed layout and attention to detail, the Sicily floorplan provides a perfect blend of sophistication and comfort.
