It’s our all-time best-selling floorplan for a reason! The Houston includes virtually every feature and option that our homeowners are looking for. The main entry opens to the great room with vaulted ceilings that fill the area with natural light from the large windows. The luxurious master suite on the main level provides a private oasis of comfort, with a large tub, walk-in closet, and tiled shower. The reading nook on the stairway landing is always a homeowner favorite as well as the ample storage space beneath the stairs. The upstairs loft is spacious and the optimal secondary gathering space. The optional 45ft deep RV garage is a huge perk.
